Re: Rankings by SEO - [rankingbyseo.com](http://rankingbyseo.com)

Hello, my name is Robert Bloecker, and I am Vice President of Rapid Color Printing in Las Vegas, Nevada. I would like to take this time to personally recommend Rankings by SEO. We have been using their service for almost a year now, and we have received excellent results in that time.

In that year, we have gone from an average position in our keywords of 10+ to being in the top 5 of every word we are looking for, and they have done it with a reasonable budget.
